What is a Tenant Ambassador?

Golden Lane Housing wants to help more people with a learning disability to find a home and in lots of other ways.

A Tenant Ambassador will get involved in helping and supporting the work Golden Lane Housing does.

There is only 1 rule! A person needs to be a Golden Lane Housing tenant to become a Tenant Ambassador.

**Helping to
make a difference**

1 Helping with information

I can help by giving out, leaving or putting up information in places I go to or know.

Get someone to take a photo of me next to the information. Send or email it to Golden Lane Housing.

I will get £5 every time:

- A person contacts Golden Lane Housing that wants help to find a home and quotes the number on my information.

- If a person becomes a Golden Lane Housing tenant because of the phone call made above.

2 Getting involved

I can get involved in doing different things.

This will be in things like:

- Campaigns.
- Events.

- Being part of Golden Lane Housing's interview panel. For example, for new staff.

- Giving my opinion to Golden Lane Housing if they ask me about a subject.

3 Going to meetings

Golden Lane Housing will ask me to go to some meetings with them.

I might be asked to give a talk at a meeting, for example telling people about living in my home.

Golden Lane Housing will give me training about going to meetings and giving a talk.
