

Housing for people with a learning disability in the Royal Borough of Greenwich

Newsletter 2 – February 2017

Golden Lane Housing is helping the Royal Borough of Greenwich to make a housing plan for people with a learning disability.

From December to February we visited over 17 different homes and spoke to 59 people.

In February

We held another meeting at Charlton Athletic Football Club.

Robert, MP for Housing for Greenwich People's Parliament helped the Golden Lane Housing team with a workshop for those who live at home with family during the meeting.

The workshop was called 'The Path to Independence'. People wrote on the pathway bricks to show what was important to them about what being independent means to them.

Take part in our survey

We are asking people with a learning disability who live at home with family or as part of Shared Lives to fill in a survey. Your family, carer or support worker has more information about this. Ruth from Golden Lane Housing can also help.

What is next?

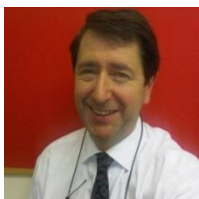

There will be another newsletter end of March.
